

# Testing Fees 2011 -2012

Effective 1 July 2011

**IWTO Greasy Wool Core Test Certificate Fee**

Covering the testing and documentation of Yield, Vegetable Matter Base, Fibre Diameter, as well as the control and supervision of sampling and weighing of each bale in the lot for Wool And Mohair for Normal Service Time

Bales per lot	Fee (ZAR)	Bales per lot	Fee (ZAR)
1	194.30	11	202.30
2	195.10	12	203.10
3	195.90	13	203.90
4	196.70	14	204.70
5	197.50	15	205.50
6	198.30	16	206.30
7	199.10	17	207.10
8	199.90	18	207.90
9	200.70	19	208.70
10	201.50	20	209.50

- Lot sizes over 20 bales: Fee for 20 bales plus R1.80 per bale for each additional bale.
- The fee for all Interlots (Grouping Lots): R201.50 per lot.
- Colour Tests (IWTO-56) Requested at time of coring: R 49.50 per lot.
- Lots with a total greasy weight exceeding 12000 kg must be split into sub lots of approximately equal size not exceeding 12000 kg each. Sub lots are sampled, tested and charged separately, but a single combined result for the total lot is issued.

**IWTO Staple Length and Strength Certificate Fee**

Testing and documentation of Staple Length and Strength, requested at the time of core sampling, including sampling from the grab sample is charged as follows:

Bales per lot	Fee (ZAR)
1	35.40
2	63.20
3	83.90
4	96.90
5 and more	100.90

The fee for all Interlots (Groupings) is R 100.90 per lot.

**Service Times and Fees (subject to operational capacity):**

Normal : 6 Working Days : Normal Fee  
 Fast : 4 Working Days : Normal Fee + 25%  
 Express : 2 Working Days : Normal Fee + 50%

**Additional Fees for Sampling Supervision**

Weekend and Public Holiday Surcharge (per hour or part thereof) R 254.00  
 Overtime – normal 9 hour working day (per hour or part thereof) R 163.00  
 Supervised Hand Coring Charge (per bale) P.O.A.  
 Travel Charges (per km from nearest WTB sampling site) P.O.A.

- Travel limited to a 50km radius from nearest WTB sampling site

Testing Fees 2011 -2012  
Effective 1 July 2011

Testing Fees 2011 -2012  
Effective 1 July 2011

### Scoured & Carbonised Wool Certificates

Condition Test (IWTO-33) (per 7,000kg or part thereof)	R 59.00
Scoured Yield Test (per 7,000kg or part thereof)	R 83.50
Fibre Diameter Test (per 7,000kg or part thereof)	R 49.50
Alcohol Extractable Matter (%) (per test)	R 54.00
Dichloromethane Extractable Matter (IWTO-10) (per test)	R 105.00
Ash Content (%) (per test)	R 52.00
Vegetable Matter Content (%) (per test)	R 57.10
Sampling Fee - per bale	R 3.90

### Miscellaneous

pH of a Water Extract of Wool (IWTO-2) (per test)	R 65.50
Acid Content of Wool (IWTO-3) (per test)	R 104.50
Alkali Solubility (IWTO-4) (per test) - includes pH	R 173.50
Urea Bisulphite Solubility (IWTO-11) (per test) - includes pH	R 173.50
Diameter Reports including CV & Histogram:	
-requested at the time of coring (per test)	R 49.50
-requested after testing completed (per test)	R 94.50
Colour Tests (IWTO-35)	R 49.50

### IWTO Combined Certificates

Basic Charge (IWTO-31)	R 32.50
Fee per Certificate used for Combination	No Charge
Re-issue of Certificate (per certificate)	R 32.50

### Testing Of Tops (per 5 000kg or part thereof)

Fibre Diameter Testing (IWTO-6, 12 or 47)	R 49.50
Condition Testing (IWTO-34)	R 124.50
Fibre Length – Almeter Test (IWTO-17)	R 178.00
Colour Tests (IWTO-35)	R 49.50
Sampling Supervision (per hour or part thereof)	R 97.00

### Test Report - Submitted Raw Wool Sample

(core sample - no sampling supervision)

Yield and Fibre Diameter	R 195.90
Length and Strength	R 83.90

### Mohair Core Testing (Not Supervised)

Fibre Diameter (IWTO 47) (per test)	R 26.00
Medullation Count (IWTO-57) (requested at time of coring)	R 61.00

**FLEECE MEASUREMENT**

The following conditions apply:

- Applicable to individual producers for their own use and own account only.
- Service Time of client’s own choice should be requested, but will only be confirmed on the basis of total number of samples, per service time category, in the pipeline at the time of receipt.
- Service Time is the number of working days from day of receipt until final results and does not include weekends or public holidays.
- Minimum sample weight is 20 grams. (30 grams if ATLAS tests are required)
- Results are normally not posted but are provided by e-mail or fax. Please supply the correct details. If results have to be posted a service charge of R11.20 per submission will apply.
- All costs incurred in sending samples to WTB S.A. are for the account of the sender.
- Electronic data submissions must be emailed to [fleece@wtbsa.co.za](mailto:fleece@wtbsa.co.za).

The table below details the full fee structure as well as the cost per sample for other services that can be requested. A minimum fee of R55.00 per submission will apply.

No of Samples	Diameter Only Fees: Maximum Service Time in Working Days*		
	3	6	10
≤ 250	4.60	4.00	3.40
251 - 500	4.20	3.70	3.00
> 500	4.00	3.40	2.80

**Other Services**

Washing Yield (16%) per sample	+	R 0.60
Printed Histogram per sample	+	R 1.20
Manual Length Only (5 Staples) per sample	+	R 1.10
Crimp Only (5 Staples) per sample	+	R 1.50
ATLAS Length and Strength plus P.O.B. (10 Staples) per sample	+	R 6.20
Postal Service per submission	+	R 11.20

\*Service times subject to operational capacity

**TESTING AND REPORTING OF NON-SUPERVISED SAMPLING OPERATIONS**

<b>Machine Coring Schedules and Testing Charges</b>		
Bales per Lot	Cores per Bale	Cost per lot
1	10	R 195.90
2	8	
3-4	6	
5-9	4	
10-19	2	
20	1	
More than 20	1	R 195.90+ R 1.80 per bale for each additional bale over 20

See Notes Below

<b>Hand Coring Schedules and Testing Charges</b>			
Bales per Lot	Cores per Bale		Cost per lot
	Cap	Base	
1	12	12	R 195.90
2	6	6	
3-4	5	5	
5-7	4	4	
8-9	3	3	
10-19	2	2	
20	1	1	
More than 20	1	1	R 195.90+ R 1.80 per bale for each additional bale over 20

Notes:

- Sample material required= **minimum 400 grams per lot for 2 subsamples**
- Maximum lot size **must not exceed 12000kg (greasy weight)**
- **Every bale** must be **equally** cored
- Applicable to **well classed grower lots only**
- The document issued is a **“Test Report”** and not a certificate
- Refer to page 1: **Service Time and Fees.**

Testing Fees 2011 -2012  
Effective 1 July 2011

**NON-SUPERVISED MOHAIR CORING OPERATIONS**

(Mean Fibre Diameter Only)

Hand/ Machine Coring Schedules and Testing Charges		
Bales per Lot	Cores per Bale	Cost per lot
1	8	R 26.00
2	6	
3-4	4	
5-9	2	
10 and more	1	

Notes:

- Sample material required= **minimum 50 grams per lot**
- Maximum lot size **must not exceed 12000kg (greasy weight)**
- **Every bale** must be **equally** cored
- Applicable to **well classed lots only**
- The document issued is a **“Test Report”** and not a certificate. The result is based on **one subsample only**, therefore it is a guideline.

**SUPERVISED MOHAIR CORING OPERATIONS**

(Yield and Mean Fibre Diameter)

Hand/ Machine Coring Schedules and Testing Charges		
Bales per Lot	Cores per Bale	Cost per lot
1	8	Refer to Testing Fees on Page 1
2	6	
3-4	4	
5-9	2	
10 and more	1	

Notes:

- Sample material required= **minimum 250 grams per lot**
- Maximum lot size **must not exceed 12000kg (greasy weight)**
- **Every bale** must be **equally** cored
- Applicable to **well classed lots only**
- The document issued is a **“Mohair Test Certificate”**
- Refer to page 1: **Service Time and Fees.**

Testing Fees 2011 -2012  
Effective 1 July 2011
